

Viksit Bharat 2047: Interdisciplinary Approaches to National Transformation

An Edited Volume With **ISBN** and **e-ISBN** Number

Greetings,

We invite academics, researchers, and professionals to contribute chapters to an edited volume on India's vision for national transformation by 2047. This collection brings together multidisciplinary perspectives on the interconnected challenges and opportunities shaping India's future. The edited volume Viksit Bharat 2047: Interdisciplinary Approaches to National Transformation serves as both an analytical framework and a roadmap, offering perspectives on how India can achieve sustained, inclusive, and sustainable development in near future.

The book is scheduled to be published in April 2026 by the reputed **international** publishing house, **Cogniverse Press**.

We cordially invite all academicians, scholars, and students to submit unpublished original research work that is free from plagiarism.

List of Topics

- Section I:** Economic Development & Structural Transformation
- Section II:** Social Equity & Human Development
- Section III:** Technological Innovation & Digitalization
- Section IV:** Environmental Sustainability & Climate Action
- Section V:** Governance & Institutional Frameworks

Author can contribute to any other sub-theme related to the main theme of the book.
