

CALL FOR BOOK CHAPTERS

Clinical Perspectives on Language Disorders in Children and Adults

AN EDITED BOOK WITH
ISBN **e-ISBN** **DOI**

Greetings,

It gives us immense pleasure to announce that an edited book with ISBN, e-ISBN, and DOI under the tentative title "Clinical Perspectives on Language Disorders in Children and Adults" is scheduled to be published in September 2026 by Cogniverse Press.

This volume aims to bring together clinicians, academicians, and researchers to present contemporary perspectives on language disorders across the lifespan, with a strong focus on clinical assessment, diagnosis, intervention, and real-life case discussions.

We cordially invite original, unpublished, and plagiarism-free chapter contributions from professionals in the fields of Speech-Language Pathology, Linguistics and Cognitive-Neuro Psychology and Audiology.

The book will be organized into two parts:

- **Part A:** Theoretical and clinical overviews of different language disorders
- **Part B:** Detailed clinical case discussions in children and adult

TOPICS

Following are the recommended chapters, but not limited to:

Part A

1. Foundations
 2. Developmental Language Disorders
 3. Adult language Disorders
 4. Swallowing Disorders
 5. Hearing Disorders in Children and Adults
 6. Advances in Assessment
 7. Advances in Managements
 8. Recent trends
 9. Aging
 10. Augmentative and Alternative Communication
- Psychological well being of persons with Communication Disorders

Part B translates theoretical knowledge into applied clinical reasoning through detailed case studies involving the aforementioned headings

NOTE: Each chapter will have an individual DOI.
