EDITED VOLUME

HORIZONS IN BIOLOGICAL SCIENCES

COGNIVERSE PRESS

An Edited Book with

- ISBN
- e-ISBN
- CHAPTERWISE DOI

ABOUT THE BOOK

Horizons in Biological Sciences is an edited volume that presents contemporary developments, emerging research trends, and innovative applications across diverse fields of life sciences. The book aims to provide a comprehensive platform for researchers, academicians, and students to explore the rapidly evolving landscape of biological research.

Covering areas such as Genetics, Genomics, Bioinformatics, Microbiology, Biotechnology, Molecular Biology, Ecology, and Environmental Biology, the volume highlights the interdisciplinary nature of modern biological research and its role in addressing global challenges related to health, agriculture, biodiversity, and sustainability.

OBJECTIVE

To provide a platform for sharing recent advances, emerging trends, and innovative research in biological sciences while promoting interdisciplinary collaboration and knowledge exchange.

SCOPE

The book covers diverse areas of biological sciences, including Genetics, Genomics, Bioinformatics, Microbiology, Molecular Biology, Biotechnology, Ecology, Environmental Biology, and related interdisciplinary fields.

SIGNIFICANCE

The volume serves as a valuable resource for researchers, educators, and students by highlighting current developments in life sciences and fostering scientific innovation to address challenges in health, agriculture, biodiversity, and environmental sustainability.

MAJOR THEMES / TOPICS

- Ethnobotanical and Ethnopharmacological Research
- Cytogenetics and Crop Improvement
- Plant Microbe Interactions
- Ecology and Ecosystem Dynamics
- Climate Change and Environmental Sustainability
- Medicinal and Aromatic Plants Research
- CRISPR and Genome Editing
- Molecular Biology and Bioinformatics
- Aquatic Biology and Wetland Ecosystems
- Advances in Animal Biology and Conservation
- Computational Biology
- Nanoscience
- Biotechnology and Synthetic Biology
- Plant Sciences and Agricultural Biology
- Biodiversity and Conservation
- Plant Diversity and Taxonomic Studies
- Environmental Toxicology and Pollution Remediation
- Natural Products, Functional Foods and Drug Discovery

IMPORTANT DATES

Chapter Submission Deadline
July 25, 2026

Notification of Acceptance
July 31, 2026

Final Chapter Submission
August 05, 2026

Expected Publication Date
August 31, 2026

EDITORIAL TEAM

Dr. Pranati Gogoi
Assistant Professor, Department of Botany,
Sonari College, Sonari.

Ms. Prerona Gogoi
Assistant Professor, Department of Botany,
Digboi College (Autonomous), Digboi.

Mr. Surajeet Konwar
Assistant Professor, Department of Botany,
Tangla College, Tangla.

Ms. Anindita Deka
Assistant Professor, Department of Botany,
Basugaon College, Basugaon.

SUBMISSION GUIDELINES

- ✓ Original, unpublished chapters only.
- ✓ Word limit: 5000-7000 words (including abstract, references, tables, figures).
- ✓ Formatting: MS Word, Times New Roman, 12 pt, 1.5 line spacing.
- ✓ Referencing style: APA 7th Edition.
- ✓ Plagiarism must be below 20%.
- ✓ Chapters will be peer reviewed.
- ✓ Final decision for inclusion will rest with the editorial board.
- ₹ Book chapter publication charge (online): Rs. 700 per chapter.
- ₹ Hard copy available at a tentative price of Rs. 500 per copy (excluding shipping charges). Final price may vary depending on page count
- ₹ Authors will receive complimentary soft copy of the book
- ₹ Printed copies will be available at actual printing cost.
