ABOUT THE BOOK

"Bridging Disciplines, Envisioning Horizons: Perspectives in Multidisciplinary Research" is a landmark commemorative volume published on the momentous occasion of the Golden Jubilee Celebration of Sarat Centenary College, Dhaniakhali, Hooghly, West Bengal. This commemorative volume brings together diverse scholarly works spanning the natural sciences, commerce, management, social sciences, and humanities. By connecting theoretical insights with real-world applications, it encourages dialogue across traditional subject boundaries. From environmental sustainability and technological advances to cultural heritage and modern economic trends, the collection highlights how interdisciplinary collaboration can tackle complex modern challenges while honoring the institution's enduring educational legacy
